

Does your organisation want to make a difference in your local community through employee volunteering?

## Join us for a corporate volunteer day at FareShare Midlands!

FareShare Midlands is the region's largest food redistribution charity. We take good quality surplus food and get it to frontline charities all over the Midlands.

Your team will get involved at the heart of FareShare's food re-distribution, giving you the opportunity to help us improve the daily lives of people facing food poverty.

You will be working alongside staff and other volunteers on a number of activities, including:

- ✓ Unloading, sorting and storing incoming food.
- ✓ Assisting drivers to deliver and collect food across the Midlands.
- ✓ Picking and packing food orders for our community food members.
